Crowder Asks Registration Of All Men Of Draft Age

Washington, Jan. 3.—Imme-
diate registration of all men
who have reached draft age
since the registration is recom-
mended by Provost Marshal
General Crowder. If this is
done, seven hundred thousand
young men in class one will be
available every twelve months.

Skilled labor and farmers
will be drafted from the deferr-
ed classes, Crowder intimated,
should the situation demand.
The report requested an amend-
ment to the selective service
act which would change the
plan of allotting quotas. In the
first draft the quotas were based
only on the population, but
Crowder asks the new basis be
made on the number of men in
class one. Dissatisfaction was
caused in many districts be-
cause of the great number of
aliens exempt, thus causing the
quota to be much higher than
the average.

The per capita cost of draft-
ing has been \$4.93, which is
about one-fourth the amount it
cost the government to get each
volunteer into the army. Twen-
ty-nine per cent of the men
called for examination were
found physically deficient. The
middle west is producing the
most stalwart fighters.

The county army selection board
today turned over the names of nine
registrants to the police with the re-
quest that they be arrested and
brought before the board to explain
why they had never returned their
questionnaires filled out.

The time has expired for all of
them. Three of them had previously
been placed in class one because
they failed to comply with the law
by returning their questionnaires
within seven days after receiving
them, but their arrest had never
been ordered by the board until to-
day.

The nine whose arrest has been
ordered are as follows:

Paul Spacey, Glenwood R. R.;
Elmer Snoddy, Rushville, R. R. 2;
Henry Seegers, Jr., Mays, R.
R.; Alonzo F. Parker, New Sa-
lem R. R.; Sam S. McCullough
(colored) Carthage; John Ste-
wart (colored) Rushville, East
Seventh street; Crawford A.
Shodan, Carthage R. R.; Wil-
liam Gross, Carthage; David A.
Bromm, New Salem.

Gross, Shodan and Bromm had
previously been placed in class one
by the board for failing to meet re-
quirements of the draft regulations,
but the other six were placed in
class one today for the first time.
All of them have had an opportunity
to explain the delay. There are two
other registrants who have allowed
the time limit to elapse and they
may be dealt with in the same way if
they do not explain to the board in
a very few days.

McCullough, who is a colored
man, could not be located before

GERMANY TO MAKE REAL PEACE OFFER

Proposals so Far Believed Insincere
But Made For Purpose of
Paving The Way

TIME IS NO LONGER HER ALLY

With Russia Breaking Away From
Separate Peace, Plans Are
Going Astray

(By United Press.)

Reject German Terms And Appeal To People

Petrograd, Jan. 3.—Reject-
ing the German peace plan, the
executive committee today
adopted resolutions appealing
to the German people urging
their "assumption of the rights
to negotiate a general demo-
cratic peace."

The resolution declared that
the German terms evade the
principal of no annexation and
are not acceptable to Russia.

London, Jan. 3.—Germany's peace
proposals here are believed to be in-
sincere and will not be supported by
the German people, but they are be-
ing made to pave the way so that
when the real offer comes, the world
will be in a more "receptive mood."
From all indications it will come
later.

Germany is willing to make unbe-
lievable sacrifices rather than con-
tinue the war. Internal conditions
are playing the German leaders
false and time is no longer Ger-
many's ally. Despite strong offen-
sive power, Germany is going down-
hill.

With Russia apparently breaking
away from the separate peace, Ger-
many's peace plans threaten to go
astray and it will probably react to
her disadvantage.

"Germany realizes as never be-
fore," said a high entente official
today, "that she is beaten. Even
the Russian peace she sought is
proving an illusion. Teutonic arms
have not attained a significant vic-
tory in the past year. Russia's
elimination can not be credited to
German arms and the Italian offen-
sive has proved an empty victory."

"With such a year back of them
and overwhelming odds against them
the central powers can look forward
to nothing."

WELL KNOWN FARMER DIES AT HOME TODAY

George Willis, a well known re-
tired farmer of this county, died at
his home south of Arlington this
morning at the age of 86. Death is
attributed to uraemic poisoning and
senility. Mr. Willis was a member
of the Methodist church of Arling-
ton and had been prominent in the
community. He is survived by a
widow, two sons, Abraham Willis,
of Arlington and Frank Willis of
Bluffton, and one brother, Joe Willis
of Greenfield.

The funeral services will be held
in the Arlington Methodist church
Saturday morning at ten o'clock,
conducted by the Rev. Mr. Weshaffer
and the Rev. J. L. Brown.

MRS. DOROTHY COLE DIES

Mrs. Dorothy Cole, age 97, moth-
er-in-law of Charles W. Fairbanks,
former vice-president, died today at
her home in Marysville, O., accord-
ing to a United Press dispatch. Mrs.
Cole was the mother of U. D. Cole,
deceased, who was at one time own-
er of the Republican and a resident
of this city. Mr. Cole was the first
husband of Mrs. Siddle Mowers of
this city.

FOOD DEPUTIES FOR COUNTY APPOINTED

M. F. Lovett Names Lew Lewis at
Manilla and Elmer Hutchinson
At Arlington

L. McKEE SERVES AT MILROY

M. F. Lovett of Carthage, federal
food administrator for Rush county,
has appointed deputies for a number
of towns in Rush county. It has
been announced previously that
Charles A. Prazee of this city had
been appointed deputy for Rush-
ville. Other appointments are: El-
mer Hutchinson, Arlington; Lew
Lewis, Manilla, and L. W. McKee,
Milroy.

Arthur Lineback of Carthage will
serve as deputy there, having qual-
ified by appointment of the state
food administrator by virtue of his
position as the town health officer.
This official in all towns was asked
early in the campaign to act as de-
puty food administrator for his
town, but none qualified except Mr.
Lineback.

The deputies will look after the
food situation in their respective
localities. They will call dealers at-
tention to the requests of the food
administration and see that certain
orders and restrictions are enforced.

HENRY ARGUES 2-CENT LAW DOES NOT APPLY

Indianapolis, Ind., Jan. 3.—That
the Indiana two-cent fare law does
not apply to interurban roads but
only to steam railways, was the con-
tention today of officials of the Indi-
anapolis and Cincinnati Traction
company before the public service
commission.

The hearing was on the petition of
the company to charge a two and a
half cent fare. Charles L. Henry,
president of the company, cited the
wording of the law: "Any common
carrier engaged in carrying passen-
gers on a railroad," in defense of the
company's stand.

R. W. Harrison, city attorney of
Shelbyville, declared that it was up
to the supreme court to decide
whether or not the word "railroad"
included interurban lines.

If the petition is granted it is un-
destood that every other interurban
line in the state will petition for a
similar increase.

NEVER MAKES NICK IN THE COLD WAVE

Weather Man Continues to Predict
"Not Quite so Cold" and Mer-
cury Goes Lower

NO MORE COAL ARRIVES TODAY

The weather man continues to
predict "not quite so cold," "a little
warmer," or something of that sort
each day and never makes a nick in
the cold wave that continues un-
abated, adding to the suffering
caused by the lack of fuel. There
was still no coal in Rushville today
for sale and dealers were uncertain
as to when any would arrive. The
severe weather making transporta-
tion more difficult adds to the delay
in the arrival of cars.

Last night was the coldest in
several days, the mercury dropping
to eight below zero. At sunrise the
mercury had managed to move up
five degrees and during the day it
got to fourteen above, according to
information supplied by Elwood
Kirkwood, government weather ob-
server for Rush county.

Travel on the country roads is
difficult and the rural mail carriers
are late in making deliveries. Trains
are also running late.

FORMER RUSH COUNTY RESIDENT HAS EXPIRED

Word came to this city today of
the death of David M. Meek of Indi-
anapolis, who died in the city hospi-
tal there yesterday morning at 6
o'clock. Mr. Meek had suffered a
stroke of paralysis on Christmas
day and had been seriously ill since
that time. He had been born in this
county and up until about 30 years
ago had made his home in Richland
township, where he was a well known
farmer. Leaving there, he went to
East Court House, Ohio, where he
ran a bakery and later moved to In-
dianapolis, engaging in the insurance
business.

Mr. Meek was a brother of the late
Mrs. John Cowan of this city and of
Lot Meek of Ohio. He is survived
by five daughters also. The funeral
services will be conducted in Indi-
anapolis tomorrow morning at eleven
o'clock and burial will take place in
East Hill cemetery. The funeral
party will leave Indianapolis on the
one o'clock traction car reaching
here at 2:20.

Because of the possibilities of be-
ing called to the colors in the im-
mediate future, I. Shuster has sold
his interest in the firm of Shuster
and Epstein to Jack Epstein, who is
now the sole proprietor of the firm.

County Red Cross Officials Receive No Pay for Services

The following statement was made today to counteract state-
ments being circulated that Red Cross officials here receive pay for
their services:

Our attention has been called to rumors in circulation in differ-
ent parts of the county to the effect that persons connected with the
administration and direction of the Red Cross receive pay for their
services. All such rumors are wholly untrue and without any
foundation whatever in fact. No person engaged in this work in the
county receives any pay whatever and this statement can not be made
with too much emphasis.

Such rumors are calculated to injure this great cause even if
innocently circulated. These reports have been made not only in
Rush county, but throughout the entire country and are so wide
spread as to indicate that the person or persons starting them had an
unfriendly design toward the Red Cross and toward the best interest
of this country. Any person circulating these reports upon pretended
authentic information does so only because of their German sympathy
or their desire to injure the Red Cross work or as an excuse for their
own failure to help in this great cause, or from lack of information.

The names of such persons should be reported at once to the
undersigned.

LIVING CHRIST IS WORLD'S HOPE

Means of Saving War Ridden World
is Presented by the Rev. D.
Ira Lambert

SERVICE AT BAPTIST CHURCH

The Rev. John T. Aiken Speaks To-
night at Christian Church—To-
morrow Ends Meetings

"I am he that was dead and be-
hold am alive for evermore," was
the text chosen by the Rev. D. Ira
Lambert of the First Presbyterian
church in his address last evening
at the First Baptist church at the
week-of-prayer service. The theme
of the inspiring sermon was, "The
Living Christ," and the speaker
showed how the living Christ is a
necessity in personal Christian life,
is the great need of the church to-
day and the message to humanity at
large. A beautiful picture of the new
world that would exist after the war
to replace the old world that was
passing away, was painted by the
speaker, with America leading the
world "somewhere."

The Rev. C. J. Bunnell presided at
the meeting; the Rev. John T. Aiken
read the scripture and the Rev. C.
S. Black led in prayer. The meeting
this evening will be held at the
Christian church when the address
will be delivered by the Rev. J. T.
Aiken. The Rev. C. S. Black will
preach at the meeting tomorrow eve-
ning which will be held at the Uni-
ted Presbyterian church. The meet-
ings begin at 7:30 o'clock and the
public is invited.

"The disciples mourned the Christ
as dead," began the Rev. Mr. Lam-
bert, "and the resurrection brought
great joy to them and the world,
for with Christ rose the greatest
power of life today. The Book of
Revelations gives a picture of past,
present and future times and eter-
nity, but in the center of all the
theme is the living Christ. The one
supreme fact of the church of Christ
is Christ Himself.

"Secondly, the great need for the
church is Christ. The history of the
church shows that it has risen again
and again after failures only be-
cause of the living vital force of
Christ. There may have to be a
change in the church machinery in
the days to come. The Y. M. C. A. is
bringing a great truth to the church
today in simply lifting up Christ. At
a recent conference of the greatest
divines of Great Britain, a manifesto
was issued urging the world to take
heed of the signs of the times and
the prophecies of the Bible, that the
coming of Christ is being foretold.
Others take the opposite view and
plan the largest reforms and re-
building of the kingdom," continued
Dr. Lambert.

"The living Christ is the message
to humanity. These are dark days
in which we are living and in the
midst of dying nations we strive to
catch a gleam of hope for tomor-
row. We stand today more than
ever facing the mysterious unknown.

The old world is passing away—
Cruel Germany will never live again.
Volatile France is known no more,
England puffed with conquest is war
ridden and coming out of a dark
Gethsemane she has never known
before, and America sodden with
wealth and dazzled with pleasure is
giving place to the new America.
The only hope for all of these na-
tions is the living Christ. Every
other teacher pales into insignifi-
cance beside him and the world is
reaching out to Christ as the light of
the world."

Washington, Jan. 3.—If the United
States had undertaken to clothe its
soldiers as well as Germany clothes
hers the shortage in uniforms and over-
coats would be much greater, N. E.
Driscoll, superintendent of Raritan
Woolen mills testified today before
the senate military affairs commit-
tee.

98 MORE BIRTHS IN 1917 THAN DEATHS

Statistics Show That 345 Babies
Have Been Born in Rush County
and 247 Persons Have Died

81 MORE BIRTHS IN CITY

About Fifty Per Cent Were Boys
and Fifty Per Cent Girls in The
City Birth Report

Three hundred and forty-five ba-
bies were born in Rush county dur-
ing the year 1917, and 247 persons
have died during the year, showing
that the number of births exceeds
the deaths almost one hundred.
These statistics have been obtained
from the reports of the secretary of
the city board of health, Dr. E. I.
Wooden, and secretary of the coun-
ty board for the past year, Dr. W. C.
Smith.

Rushville's birth report exceeded
the death report during the year
1917 by 15, there having been 101
babies born and 84 persons died in
the city during the year. A remark-
able thing about the birth statistics
is that they show a division of al-
most exactly half between the boys
and girls. Fifty-two of the 101
were girls and 49 were boys. Of the
entire number, there were only two
sets of twins.

December was the month during
which the most babies were born
and one of the months when the
fewest number of persons died.
Fourteen babies, nine girls and five
boys, were born during December.
There were eleven births in each of
January and July. All of the babies
born during the month of October
were boys, there being five.

More persons died during the
month of November than in any
month during the year. Twelve died
in November, ten in January, and
nine in each of August and Septem-
ber. Four persons died in Decem-
ber. The deaths were almost com-
paratively equally divided among
men and women. Of the eighty-
four deaths during the year, forty-
six were women and thirty-eight
were men.

During each month of the year,
the following number of children
were born: January, 11; February,
9; March, 4; April, 9; May, 4; June,
5; July, 4; August, 9; September, 9;
October, 6; November, 12; Decem-
ber, 4.

The deaths came in the following
order in Rushville: January, 10;
February, 8; March, 4; April, 9;
May, 4; June, 5; July, 4; August, 9;
September, 9; October, 6; November,
12; December, 4.

The number of deaths in the
county about doubled those in
Rushville alone for there were 163
deaths reported in Rush county dur-
ing the year 1917. Seventeen of the
number died in July, more during
this month than any in the year in
the county, and only four died dur-
ing the month of November. These
statistics are exclusive of this city
and consider only the remainder of
the county.

As to the births in Rush county,
outside of Rushville, there were 244
during the entire year, making a
total of eighty-one more births than
there were deaths in the county out-
side of this city. Twenty-eight of
the babies were born in February
alone.

COUNT LUXBURG INSANE

(By United Press.)

Buenos Aires, Jan. 3.—Count
Luxburg, former representative of
the German government here, is in-
sane and has been for ten years,
according to medical authorities
who have had him under observa-
tion. This will give Germany oppor-
tunity to disclaim all responsibility
for his acts.

FINANCIAL REPORT FOR YEAR IS HEARD

Odd Fellows Learn That \$2,200 Was
Expended For Relief During
Year 1917

NEW OFFICERS ARE INSTALLED

Franklin Lodge No. 35, I. O. O. F. at the regular meeting last evening installed the following officers for the term ending June 30th, 1918—N. G., Arnold Orme; V. G., Andrew Moore; Rec. Sec., Frank McIlwain; Fin. Sec., J. W. Miller; Treas., V. C. Bodine, R. S. N. G., William A. Wyllie; L. S. N. G., Walter Perkins; L. S. V. G., Jesse Carpenter; R. S. V. G., John Colvin; Warden, Clifford L. McGinnis; Conductor, Chase Sadler; O. G., Chas. Ryan; I. G., Henry F. Gregg; Chaplain, Miles S. Cox; S. S.—T. M. Edwards and Albert Wright.

The report of the secretary showing the condition of the lodge and the disbursements for relief for the past year were very gratifying to the members present and was the cause of much favorable comment, especially that part showing the work of the relief committee which had paid out during the year the sum of \$2,200, for the assistance of its members, being an average of \$5.75 for each of the 386 members and an average of \$6.25 per day. The assets of the lodge were shown to be over \$17,000 without any indebtedness and with over \$4,000 invested in stocks and bonds producing a very nice income. Included in the bonds are Liberty Bonds amounting to \$1,000.

After the installation the second degree was conferred and a treat was served by the newly installed officers. The third degree was announced for the next meeting to be followed by the initiatory one week thereafter.

A committee was appointed to arrange a patriotic meeting Feb. 22, to be semi-public in character open to members, their families and their friends. A speaker of prominence will be secured for the occasion.

Mary Pickford in "Rebecca of Sunnybrook Farm." Never has a star appeared in a more desirable as well as suitable characterization. Known throughout the land as "America's Sweetheart," Mary is just the person to portray the national type of "Rebecca," the little country girl who fought her battles alone and travelled a particularly rough road leading to her womanhood. The many charms and quaint situations of "Rebecca of Sunnybrook Farm," are brought out in the Artercraft picture as only Mary Pickford can. The photoplay will appear at the Princess theatre tomorrow.

The First Installment of Taxes must be paid on or before the
FIRST MONDAY IN MAY, 1918
or both installments will become delinquent and subject to a penalty.

The Second Installment must be paid on or before the
FIRST MONDAY IN NOVEMBER, 1918.

No tax receipts will be held out until taxes are paid in full.

Extracts From the Statutes of Indiana.

That each person or taxpayer charged with taxes on a duplicate in the hands of a County Treasurer may pay the full amount of such taxes on or before the first Monday in May, or may at his option, pay one-half thereof on or before the first Monday in May, and the remaining half on or before the first Monday in November, in the manner prescribed by law. All road taxes to be added to the first installment. When the first installment is not paid prior to the first Monday in May, the taxes for the whole year become delinquent. The Treasurer will not be responsible for the penalty and charges on delinquent taxes resulting from any omission of the person paying to state definitely on what property, in whose name and in what township or corporation it was assessed. Persons owing delinquent taxes should pay them at once. The law is of such character that there is no option left the Treasurer but to enforce the collection of delinquent taxes, however much he may regret to collect the same, by sale of property. The owner of the property on the first day of March in any year, shall be liable for the payment of all taxes of that year. The purchaser of property on the first day of March shall be considered as owner on that day.—Sec. 108. All property, both personal and real, situated in any county, shall be liable for the taxes, penalties, interests, and costs to the owners thereof, in such county, and no partial payment of such taxes, penalties, interests or costs shall discharge or release any part or portion of such property until the whole be paid; which lien shall in no wise be affected or destroyed by any sale or transfer of any such personal property.—Sec. 664, R. S.

The Treasurer has no option in rebating the penalty on taxes allowed to go delinquent. Taxpayers are particularly notified that all Road Tax is due and payable with the first installment. No County Order will be paid to persons owing delinquent taxes and all parties are warned against buying the same.

The Annual Sale of Delinquent Lands and Lots will take place on the Second Monday in February, 1918.

PARTICULAR ATTENTION

TAXPAYERS SHOULD EXAMINE THEIR RECEIPTS before leaving the Treasurer's Office, and see that they are correct. Those who have lands or other property in more than one township, must see that they have a receipt for all.

Rushville, Indiana, January 1st, 1918.

J. O. WILLIAMS,
Treasurer of Rush County.

AUDITOR'S SPECIAL NOTICE

Parties having School Fund Loans on which interest is delinquent will please give the payment of said interest their attention before March 1st, as the law requires the prompt collection of said interest.

W. H. McMILLIN, Auditor Rush County, Ind.

The Uselessness of Want

The fear frequently expressed that this country may come to want should be perfectly useless fear. There is no logical reason why the United States should not produce amply for her own wants and the needs of her allies. We have the land upon which to grow the crops and a climate that renders anything approaching a crop failure an impossibility. All that remains is for the American people to apply themselves to the task.

But it is at this point that the trouble arises. For several decades now the people have been gradually deserting agriculture for the industrial pursuits. Agriculture has been at a discount and the farmer regarded as of somewhat inferior clay. Thousands of young men, if not trained in the professions, adopted the mechanical trades till the farms have become almost deserted. The result was only to be expected and naturally the industrial ranks were unduly swelled at the same time. Nothing save the over-abundance of mechanical labor is responsible for the great labor disturbance of the past half century. Labor in any line when it becomes too plentiful, must either resort to competition or union in order to survive. In this instance it chose union, and the results we have seen.

From this time on, there should be a systematic effort on the part of the great labor unions to curtail the number of recruits to their ranks.

Young men should be discouraged from deserting the farms to engage in the trades. The farms need them and should have them. There is room for several millions more young men on the farms of this country, and then the land would not be overcrowded.

A more equitable distribution of labor would result in great good to all parties concerned. The farms would benefit by the added forces, while the trades would benefit no less by the withdrawal of a surplus of labor that is an endless source of trouble and strife.

We have reached a point when a great readjustment of labor is imperative, and this readjustment is up to the leaders of the labor world.

Munition Plants Slow Down

Representative John Q. Tilson, of Connecticut, who has been preaching the doctrine of munition preparedness ever since the outbreak of the European war, and before, for that matter, is properly indignant because the War Department is permitting Connecticut Arms plants to slow down. The Winchester Arms Company is now working about 50 per cent of the force which manned its shops last year; the Remington Arms Company recently closed down for a week, and the Marlin Company is not using its capacity equipment for turning out machine guns. Mr. Tilson says that if we have a million men across the sea there should be 1,500,000 guns over there for them right away, and 500,000 ready to be shipped, and he points out that we have only about 700,000 Springfield. "The factories are ahead of their orders and are slowing up," says Mr. Tilson, "a condition of affairs that I can't understand in time of war. It certainly does not seem to me the War Department is doing the right thing." It was this same Mr. Tilson who, in May of last year, after nearly two and a half years of the European War, and long, long after Mr. Wilson's "world on fire" speech, startled the country with proofs that during that two and one-half years we had produced only 66,000 guns in our factories. Mr. Tilson would doubtless approve the suggestion that George M. Cohan revise his popular war song to read, "And we won't get guns till it's over 'Over There.'"

If Chairman Creel, of the Committee on Public Information, ever publishes a list of names and salaries on his pay roll, the document will be read with great interest.

If any further proof were needed to convince one that "the pen is mightier than the sword," one has only to recall the price of pork.

If you see her standing pensively and absent-mindedly beneath the mistletoe—just take a second thought.

A New Year's Greeting

This is the Season when our habit is to review the year that has just closed and to prepare for the New Year.

Strange conditions have surrounded us the past year and we face a future unusual and uncertain. At such a time every person should plan that he may render the most effective service to his country.

Loyal citizens everywhere will be called upon by our country's need, and the response of our people should be certain and generous as it has been to every appeal in the past.

Preparation now is essential. It is the part of prudence to save and conserve in every material way that we may do our share in aiding Rush County to discharge her full duty in this National Crisis.

May the Year 1918 be rich in blessings for all our people, is the wish of

Rex A. George, on board the U. S. S. Wisconsin writes that he expects to be at home some time this month.

Mr. and Mrs. F. C. George entertained the R. C. S. Club with a pitch-in supper Friday evening. The guests aside from the club members were Mrs. Belle Trobaugh, Miss Calie Moorehead, the Misses Edna, Ethel and Nell Trobaugh, Ray Culbertson, Charles Shedd and Leslie Trobaugh. The supper was served in courses and before the last course Roy Culbertson of the 13th Field Artillery, Quantico, Vir., at home on furlough gave a very interesting talk concerning his life in camp. His company will go to the Mexican border soon. A very pleasant evening was enjoyed by all present.

The Country Cousin's Club was entertained at the home of Mr. and Mrs. Charles Carney Tuesday evening. The affair was a watch party. The guests whiled away the pleasant hours of the evening chatting, story-telling, playing rook and other games. An elegant oyster supper was served during the evening to the following guests: Mr. and Mrs. Lee Wilson, Mr. and Mrs. George Smith and son, Lawrence, Mr. and Mrs. John Bever, Mr. and Mrs. Carl Wilson, Mr. and Mrs. Mauzy Bebout, Misses Zora Carney, Helen Wilson, Dorothy Wilson and Harold Wilson, Arthur Bever, Edgar Wilson and Alex McElfresh.

Mrs. William George went to Forest, Ind., Friday to spend two weeks with Mr. and Mrs. Earl George and family.

The Women's Missionary Society will meet at the home of Mrs. Lola M. Holden Thursday at 1:30. The ladies of the January division will entertain. An interesting program will be in charge of Mrs. Lonella Stewart.

JOHN W. COOPER DIES AT KOKOMO

Native of This County, Prominent Citizen of Howard County Seat, is Buried Today

BORN NEAR NEW SALEM IN 1837

Early Part of His Life Spent in This County—Married Frances Simmons at Richland

John W. Cooper, age eighty years, a native of this county, is dead at his home in Kokomo. He spent the last fifty-seven years of his life in Kokomo where he became one of the most influential citizens of the community. He was an attorney by profession, but became interested in many other business activities.

Mr. Cooper was a brother of Mrs. John Shannon, who died at her home east of the city about a year ago. The funeral was held in Kokomo this afternoon.

Mr. Cooper was born near New Salem, July 18, 1837. His father, Dr. Stanley Cooper, was one of the widely-known pioneer physicians of that part of the state. The son took his early schooling in the neighborhood of the homestead. At the approach of manhood, having decided to enter the profession of law, he fitted himself for the practice by study in law offices at Shelbyville and Indianapolis. On November 6, 1859, at Richland, he was united in marriage to Frances Margaret Simmons, who, with one son, Horace M. Cooper, and two daughters, Mrs. Ed M. Souder and Mrs. William L. Laughlin all of Kokomo, survives him. He went to Kokomo in October, 1860, was admitted to the Howard county bar soon thereafter, and was a resident here the remainder of his life. During the Civil war he was provost marshal for Howard county. In 1869 he was elected mayor of the city and was re-elected in 1871.

In 1874 he was elected Howard county clerk and in 1878 was again chosen to the position, serving in the office in all eight years. In 1833 he resumed the practice of law, in which he continued active until 1908 and from which he never entirely retired. His name appears at the head of the list of members of the Howard county bar in the bar docket for the term of court which has just closed. He was chosen superintendent of Crown Point cemetery at Kokomo by the city council forty-six years ago and continued in the position the remainder of his life. He was a stockholder in the Howard National bank from the time it was organized in 1877 until his death, and was a member of the board of directors practically throughout the period. He had been a member of Kokomo lodge, I. O. O. F., for approximately half a century and had risen to the highest position within the gift of the order in the state, Grand Patriarch of the Grand Encampment. As Past Grand Patriarch he had represented the state in two meetings of the sovereign grand lodge, once at Milwaukee and once at Chattanooga. In politics he was a stalwart republican, but never an intolerant partisan. Although he never

the guest of relatives in this neighborhood.

Mr. and Mrs. George W. Kemmer and family had as their guests last week Mr. and Mrs. George Myer, Mr. and Mrs. Charles Eskew, Mr. Paul Griffen of Indianapolis and Eugene Kemmer of Camp Taylor, Ky.

Mr. and Mrs. Linnea Hayes and daughter, Iva, left Wednesday for Florida where they will spend a portion of the winter.

Save the Milk—Feed Acme Calf Meal

A Real Milk Substitute

FOR RAISING CALVES ON ONE-HALF THE COST OF WHOLE MILK. MIX WITH HOT WATER AND IS READY TO USE.

ACME CALF MEAL is a practical and successful Milk substitute for the raising of calves, young pigs, lambs and colts.

It will furnish the Calves and Pigs the proper nourishment from the time they are a few days old till they go on a grain diet.

It contains no Sulphur, Drugs or Chemicals. Mixed with hot water, it forms a rich milk gruel, palatable and easy to digest.

By its use the feeder can sell his milk and still successfully raise his calves at a cost of less than one-half the price of whole milk.

It is pure and reliable, and unquestionably the most perfect Milk substitute on the market for the purpose it is intended.

It contains all the chemical properties found in the whole milk and will produce a symmetrical growth of both bone and muscle in the young calf. It also prevents scouring.

100 Lbs. Makes 100 Gallons of Real Milk Substitute

ANALYSIS

Protein 27 1/2 per cent

EXAMPLE—To feed a calf whole milk it will take two gallons per day; for 45 days it will take 90 gallons of milk worth 22c per gallon or total cost of milk \$19.80. To feed Acme Calf Meal for SIX weeks it would take 100 pounds Acme Calf Meal.

The whole milk costs \$19.80
The Acme Calf Meal costs about 5.00

The difference in favor of Acme Calf Meal is about \$14.80

A Calf Six Weeks Old at \$5.00 Is Good Property.

Feed ACME PIG MEAL equal to milk, protein 28 1/2%. Fifteen pounds feeds a weaned pig for 30 days for about 65c per month. A complete ration.

ACME WORM BOUNCER expels worms from hogs, horses and sheep. Fed in Self Feeders furnished FREE.

RAINBOW COMMANDER TRANSFERRED TO EAST

Washington, Jan. 3.—Orders were issued today assigning Major General Mann, who had been commander of the Rainbow division in France to the eastern department. General Boyle was retired. It was reported that General Sibert, head of General expeditionary forces, would be assigned to command of the southeastern department. Mann's place in France will be taken by General Charles Menoher.

The retirement of Sibert caused a sensation as it suggested there had been friction between Pershing and Sibert and that Sibert was being relieved from a place of high importance.

ARREST OF 9 ORDERED BY THE ARMY BOARD

Continued From Page 1 when registrants were ordered to appear for physical examination. He registered at Carthage, but it was reported to the board that he had gone to Detroit, Mich., to work. He never left an address and when a questionnaire was mailed to him it was returned, the postmaster saying he could not be located.

Bromm registered at New Salem when he was employed there on the elevator which was being built at that time. His home is said to be in New York. He has since left and the board has no trace of him.

Besides the nine ordered arrested,

Had the Grip Three Weeks

With January comes lagrippe. Lingered colds seem to settle in the system, causing one to ache all over, feel feverish and chilly, tired, heavy and dropping. Mrs. Lizzie Tyles, Henderson, Ky., writes: "My daughter had lagrippe for three weeks. I had the doctor and bought medicine and none of it did any good. I gave her Foley's Honey and Tar and now she is all right. I have told all my friends about it." Insist on the genuine Foley's Honey and Tar. F. B. Johnson.—(Adv.)

the board has classified fifty-six more registrants, placing sixteen in class one, three in class two, thirty-one in class four and six in class five. This makes a total of 439 cases acted on, counting the six additional ones placed in class one by the board this morning. A total of 122 have been placed in class one by the board, but some have been rejected for physical unfitness and many others have agricultural claims which may give them a deferred classification.

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.

This Man Was Always Ill at Ease While Waiting for His Dinner, Until—Pepsinco.

He would order a few little things and see visions of pains, nausea, misery and everything but enjoyment when they were put before him. Much or little never failed to leave the same miserable, disagreeable, sick headachy feeling. He had to eat and suffered the consequences.

He thought he was doomed to eternal chronic stomach trouble. He doctored, used many remedies, but no help.

A stranger, a good Samaritan, saw his condition; asked him the reason; offered him Pepsinco, and now a happy, smiling diner awaits the steaming dishes.

If your stomach bothers; if your food sours or disagrees with you; if pains follow a meal and sick headache is a rule, stop at the drug store and get a small package of Pepsinco now today. It is a positive remedy for bad stomachs.

Crowder Asks Registration Of All Men Of Draft Age

Washington, Jan. 3.—Immediate registration of all men who have reached draft age since the registration is recommended by Provost Marshal General Crowder. If this is done, seven hundred thousand young men in class one will be available every twelve months.

Skilled labor and farmers will be drafted from the deferred classes, Crowder intimated, should the situation demand. The report requested an amendment to the selective service act which would change the plan of allotting quotas. In the first draft, the quotas were based only on the population, but Crowder asks the new basis be made on the number of men in class one. Dissatisfaction was caused in many districts because of the great number of aliens exempt, thus causing the quota to be much higher than the average.

The per capita cost of drafting has been \$4.93, which is about one-fourth the amount it cost the government to get each volunteer into the army. Twenty-nine per cent of the men called for examination were found physically deficient. The middle west is producing the most stalwart fighters.

The county army selection board today turned over the names of nine registrants to the police with the request that they be arrested and brought before the board to explain why they had never returned their questionnaires filled out.

The time has expired for all of them. Three of them had previously been placed in class one because they failed to comply with the law by returning their questionnaires within seven days after receiving them, but their arrest had never been ordered by the board until today.

The nine whose arrest has been ordered are as follows:

Paul Spacey, Glenwood R. R.; Elmer Snoddy, Rushville, R. R. 2; Henry Seegers, Jr., Mays, R. R.; Alonzo F. Parker, New Salem R. R.; Sam S. McCullough (colored) Carthage; John Stewart (colored) Rushville, East Seventh street; Crawford A. Shodoan, Carthage R. R.; William Gross, Carthage; David A. Brown, New Salem.

Gross, Shodoan and Brown had previously been placed in class one by the board for failing to meet requirements of the draft regulations, but the other six were placed in class one today for the first time. All of them have had an opportunity to explain the delay. There are two other registrants who have allowed the time limit to elapse and they may be dealt with in the same way if they do not explain to the board in a very few days.

McCullough, who is a colored man, could not be located before

GERMANY TO MAKE REAL PEACE OFFER

Proposals So Far Believed Insincere
But Made For Purpose of
Paving The Way

TIME IS NO LONGER HER ALLY

With Russia Breaking Away From
Separate Peace, Plans Are
Going Astray

(By United Press.)

Reject German Terms And Appeal To People

Petrograd, Jan. 3.—Rejecting the German peace plan, the executive committee today adopted resolutions appealing to the German people urging their "assumption of the rights to negotiate a general democratic peace."

The resolution declared that the German terms evade the principal of no annexation and are not acceptable to Russia.

London, Jan. 3.—Germany's peace proposals here are believed to be insincere and will not be supported by the German people, but they are being made to pave the way so that when the real offer comes, the world will be in a more receptive mood. From all indications it will come later.

Germany is willing to make unbelievable sacrifices rather than continue the war. Internal conditions are playing the German leaders false and time is no longer Germany's ally. Despite strong offensive power, Germany is going downhill.

With Russia apparently breaking away from the separate peace, Germany's peace plans threaten to go astray and it will probably react to her disadvantage.

"Germany realizes as never before," said a high entente official today, "that she is beaten. Even the Russian peace she sought is proving an illusion. Teutonic arms have not attained a significant victory in the past year. Russia's elimination can not be credited to German arms and the Italian offensive has proved an empty victory."

"With such a year's back of them and overwhelming odds against them the central powers can look forward to nothing."

WELL KNOWN FARMER DIES AT HOME TODAY

George Willis, a well known retired farmer of this county, died at his home south of Arlington this morning at the age of 86. Death is attributed to uraemic poisoning and senility. Mr. Willis was a member of the Methodist church of Arlington and had been prominent in the community. He is survived by a widow, two sons, Abraham Willis, of Arlington and Frank Willis of Bluffton, and one brother, Joe Willis of Greenfield.

The funeral services will be held in the Arlington Methodist church Saturday morning at ten o'clock, conducted by the Rev. Mr. Weshafer and the Rev. J. L. Brown.

MRS. DOROTHY COLE DIES

Mrs. Dorothy Cole, age 97, mother-in-law of Charles W. Fairbanks, former vice-president, died today at her home in Marysville, O., according to a United Press dispatch. Mrs. Cole was the mother of U. D. Cole, deceased, who was at one time owner of the Republican and a resident of this city. Mr. Cole was the first husband of Mrs. Siddle Mowers of this city.

FOOD DEPUTIES FOR COUNTY APPOINTED

M. F. Lovett Names Lew Lewis at
Manilla and Elmer Hutchinson
At Arlington

L. McKEE SERVES AT MILROY

M. F. Lovett of Carthage, federal food administrator for Rush county, has appointed deputies for a number of towns in Rush county. It has been announced previously that Charles A. Frazee of this city had been appointed deputy for Rushville. Other appointments are: Elmer Hutchinson, Arlington; Lew Lewis, Manilla, and L. W. McKee, Milroy.

Arthur Lineback of Carthage will serve as deputy there, having qualified by appointment of the state food administrator by virtue of his position as the town health officer. This official in all towns was asked early in the campaign to act as deputy food administrator for his town, but none qualified except Mr. Lineback.

The deputies will look after the food situation in their respective localities. They will call dealers attention to the requests of the food administration and see that certain orders and restrictions are enforced.

HENRY ARGUES 2-CENT LAW DOES NOT APPLY

Indianapolis, Ind., Jan. 3.—That the Indiana two-cent fare law does not apply to interurban roads but only to steam railways, was the contention today of officials of the Indianapolis and Cincinnati Traction company before the public service commission.

The hearing was on the petition of the company to charge a two and a half cent fare. Charles L. Henry, president of the company, cited the wording of the law: "Any common carrier engaged in carrying passengers on a railroad," in defense of the company's stand.

R. W. Harrison, city attorney of Shelbyville, declared that it was up to the supreme court to decide whether or not the word "railroad" included interurban lines.

If the petition is granted it is understood that every other interurban line in the state will petition for a similar increase.

seven Americans, an unknown number injured and dozens of women captured and driven into captivity in a train raid and massacre Wednesday south of Guaymas by Yaqui Indians, according to reports received here today. Relief has been started from here.

NEVER MAKES NICK IN THE COLD WAVE

Weather Man Continues to Predict
"Not Quite so Cold" and Mer-
cury Goes Lower

NO MORE COAL ARRIVES TODAY

The weather man continues to predict "not quite so cold," a little warmer, or something of that sort each day and never makes a nick in the cold wave that continues unabated, adding to the suffering caused by the lack of fuel. There was still no coal in Rushville today for sale and dealers were uncertain as to when any would arrive. The severe weather making transportation more difficult adds to the delay in the arrival of cars.

Last night was the coldest in several days, the mercury dropping to eight below zero. At sunrise the mercury had managed to move up five degrees and during the day it got to fourteen above, according to information supplied by Elwood Kirkwood, government weather observer for Rush county.

Travel on the country roads is difficult and the rural mail carriers are late in making deliveries. Trains are also running late.

FORMER RUSH COUNTY RESIDENT HAS EXPIRED

Word came to this city today of the death of David M. Meek of Indianapolis, who died in the city hospital there yesterday morning at 6 o'clock. Mr. Meek had suffered a stroke of paralysis on Christmas day and had been seriously ill since that time. He had been born in this county and up until about 30 years ago had made his home in Richland township, where he was a well known farmer. Leaving there, he went to East Court House, Ohio, where he ran a bakery and later moved to Indianapolis, engaging in the insurance business.

Mr. Meek was a brother of the late Mrs. John Cowan of this city and of Lot Meek of Ohio. He is survived by five daughters also. The funeral services will be conducted in Indianapolis tomorrow morning at eleven o'clock and burial will take place in East Hill cemetery. The funeral party will leave Indianapolis on the one o'clock traction car reaching here at 2:20.

Because of the possibilities of being called to the colors in the immediate future, I. Shuster has sold his interest in the firm of Shuster and Epstein to Jack Epstein, who is now the sole proprietor of the firm.

County Red Cross Officials Receive No Pay for Services

The following statement was made today to counteract statements being circulated that Red Cross officials here receive pay for their services:

Our attention has been called to rumors in circulation in different parts of the county to the effect that persons connected with the administration and direction of the Red Cross receive pay for their services. All such rumors are wholly untrue and without any foundation whatever in fact. No person engaged in this work in the county receives any pay whatever and this statement can not be made with too much emphasis.

Such rumors are calculated to injure this great cause even if innocently circulated. These reports have been made not only in Rush county, but throughout the entire country and are so wide spread as to indicate that the person or persons starting them had an unfriendly design toward the Red Cross and toward the best interest of this country. Any person circulating these reports upon pretended authentic information does so only because of their German sympathy or their desire to injure the Red Cross work or as an excuse for their own failure to help in this great cause, or from lack of information.

The names of such persons should be reported at once to the undersigned.

LIVING CHRIST IS WORLD'S HOPE

Means of Saving War Ridden World
is Presented by the Rev. D.
Ira Lambert

SERVICE AT BAPTIST CHURCH

The Rev. John T. Aiken Speaks To-
night at Christian Church—To-
morrow Ends Meetings

"I am he that was dead and be- hold am alive for evermore," was the text chosen by the Rev. D. Ira Lambert of the First Presbyterian church in his address last evening at the First Baptist church at the week-of-prayer service. The theme of the inspiring sermon was, "The Living Christ," and the speaker showed how the living Christ is a necessity in personal Christian life, is the great need of the church today and the message to humanity at large. A beautiful picture of the new world that would exist after the war to replace the old world that was passing away, was painted by the speaker, with America leading the world "somewhere."

The Rev. C. J. Bunnell presided at the meeting; the Rev. John T. Aiken read the scripture and the Rev. C. S. Black led in prayer. The meeting this evening will be held at the Christian church when the address will be delivered by the Rev. J. T. Aiken. The Rev. C. S. Black will preach at the meeting tomorrow evening which will be held at the United Presbyterian church. The meetings begin at 7:30 o'clock and the public is invited.

"The disciples mourned the Christ as dead," began the Rev. Mr. Lambert, "and the resurrection brought great joy to them and the world, for with Christ rose the greatest power of life today. The Book of Revelations gives a picture of past, present and future, times and eternity, but in the center of all the theme is the living Christ. The one supreme fact of the church of Christ is Christ Himself."

"Secondly, the great need for the church is Christ. The history of the church shows that it has risen again and again after failures only because of the living vital force of Christ. There may have to be a change in the church machinery in the days to come. The Y. M. C. A. is bringing a great truth to the church today in simply lifting up Christ. At a recent conference of the greatest divines of Great Britain, a manifesto was issued urging the world to take heed of the signs of the times and the prophecies of the Bible, that the coming of Christ is being foretold. Others take the opposite view and plan the largest reforms and rebuilding of the kingdom," continued Dr. Lambert.

"The living Christ is the message to humanity. These are dark days in which we are living and in the midst of dying nations we strive to catch a gleam of hope for tomorrow. We stand today more than ever facing the mysterious unknown. The old world is passing away, cruel Germany will never live again; Volatile France is known no more; England puffed with conquest is war ridden and coming out of a dark Gethsemane she has never known before, and America sodden with wealth and dazzled with pleasure is giving place to the new America. The only hope for all of these nations is the living Christ. Every other teacher pales into insignificance beside him and the world is reaching out to Christ as the light of the world."

Washington, Jan. 3.—If the United States had undertaken to clothe its soldiers as well as Germany clothes here the shortage in uniforms and overcoats would be much greater. N. E. Driscoll, superintendent of Baritan Woolen mills, testified today before the senate military affairs committee.

98 MORE BIRTHS IN 1917 THAN DEATHS

Statistics Show That 345 Babies
Have Been Born in Rush County
and 247 Persons Have Died

81 MORE BIRTHS IN CITY

About Fifty Per Cent Were Boys
and Fifty Per Cent Girls in The
City Birth Report

Three hundred and forty-five babies were born in Rush county during the year 1917, and 247 persons have died during the year, showing that the number of births exceeds the deaths almost one hundred. These statistics have been obtained from the reports of the secretary of the city board of health, Dr. E. F. Wooden, and secretary of the county board for the past year, Dr. W. C. Smith.

Rushville's birth report exceeded the death report during the year 1917 by 15, there having been 101 babies born and 84 persons died in the city during the year. A remarkable thing about the birth statistics is that they show a division of almost exactly half between the boys and girls. Fifty-two of the 101 were girls and 49 were boys. Of the entire number, there were only two sets of twins.

December was the month during which the most babies were born and one of the months when the fewest number of persons died. Fourteen babies, nine girls and five boys, were born during December. There were eleven deaths in each of January and July. All of the babies born during the month of October were boys, there being five.

More persons died during the month of November than in any month during the year. Twelve died in November, ten in January, and nine in each of August and September. Four persons died in December. The deaths were almost comparatively equally divided among men and women. Of the eighty-four deaths during the year, forty-six were women and thirty-eight were men.

During each month of the year, the following number of children were born: January, 11; February, 9; March, 4; April, 9; May, 4; June, 5; July, 4; August, 9; September, 9; October, 6; November, 12; December, 4.

The deaths came in the following order in Rushville: January, 10; February, 8; March, 4; April, 9; May, 4; June, 5; July, 4; August, 9; September, 9; October, 6; November, 12; December, 4.

The number of deaths in the county about doubled those in Rushville alone for there were 163 deaths reported in Rush county during the year 1917. Seventeen of the number died in July, more during this month than any in the year in the county, and only four died during the month of November. These statistics are exclusive of this city and consider only the remainder of the county.

As to the births in Rush county outside of Rushville, there were 244 during the entire year, making a total of eighty-one more births than there were deaths in the county outside of this city. Twenty-eight of the babies were born in February alone.

COUNT LUXBURG INSANE

(By United Press.)
Buenos Aires, Jan. 3.—Count Luxburg, former representative of the German government here, is insane and has been for ten years according to medical authorities who have had him under observation. This will give Germany opportunity to disclaim all responsibility for his acts.

FINANCIAL REPORT FOR YEAR IS HEARD

Odd Fellows Loan That \$2,200 Was
Expended For Relief During
Year 1917

NEW OFFICERS ARE INSTALLED

Franklin Lodge No. 35, I. O. O. F., at the regular meeting last evening installed the following officers for the term ending June 30th, 1918—N. G., Arnold Orme; V. G., Andrew Moore; Rec. Sec., Frank Mellwain; Exp. Sec., J. W. Miller; Treas., V. C. Bodine, R. S. N. G., William A. Wyllie; L. S. N. G., Walter Perkins; L. S. V. G., Jesse Carpenter; R. S. V. G., John Colvin; Warden, Clifford L. McGinnis; Conductor, Chase Sadler; O. G., Chas. Ryan; I. G., Henry F. Gregg; Chaplain, Miles S. Cox; S. S.—T. M. Edwards and Albert Wright.

The report of the secretary showing the condition of the lodge and the disbursements for relief for the past year were very gratifying to the members present and was the cause of much favorable comment, especially that part showing the work of the relief committee which had paid out during the year the sum of \$2,200, for the assistance of its members, being an average of \$5.75 for each of the 386 members and an average of \$6.25 per day. The assets of the lodge were shown to be over \$17,000 without any indebtedness and with over \$4,000 invested in stocks and bonds producing a very nice income. Included in the bonds are Liberty Bonds amounting to \$1,000.

After the installation the second degree was conferred and a treat was served by the newly installed officers. The third degree was announced for the next meeting to be followed by the initiatory one week thereafter.

A committee was appointed to arrange a patriotic meeting Feb. 22, to be semi-public in character open to members, their families and their friends. A speaker of prominence will be secured for the occasion.

Mary Pickford in "Rebecca of Sunnybrook Farm." Never has a star appeared in a more desirable as well as suitable characterization.

Known throughout the land as "America's Sweetheart," Mary is just the person to portray the national girl of "Rebecca," the little country girl who fought her battles alone and traveled a particularly rough and leading to her womanhood. The play charms and quaint situations of "Rebecca of Sunnybrook Farm" brought out in the Artcraft picture as only Mary Pickford can. The play will appear at the Prince theatre tomorrow.

or both installments will become delinquent and subject to a penalty.

The Second Installment must be paid on or before the
FIRST MONDAY IN NOVEMBER, 1918.

No tax receipts will be held out until taxes are paid in full.

Extracts From the Statutes of Indiana.

That each person or taxpayer charged with taxes on a duplicate in the hands of a County Treasurer may pay the full amount of such taxes on or before the first Monday in May, or may at his option, pay one-half thereof on or before the first Monday in May, and the remaining half on or before the first Monday in November, in the manner prescribed by law. All road taxes to be added to the first installment. When the first installment is not paid prior to the first Monday in May, the taxes for the whole year become delinquent. The delinquent shall not be responsible for the penalty and charges for delinquent taxes resulting from any delinquency of the person paying to state delinquency on what property, in whose name and in what township or corporation it was assessed. Delinquent taxes should pay them at once. The law is of such character that there is no option left the Treasurer but to enforce the collection of delinquent taxes, however much he may regret to collect the same, by sale of property. The owner of the property on the first day of March in any year, shall be liable for the payment of all taxes of that year. The purchaser of property on the first day of March shall be considered as owner on that day. All property, both personal and real situated in any county, shall be liable for the taxes, penalties, interests and costs to the owners thereof, in such county, and the partial payment of such taxes, penalties, interests or costs shall discharge or release any part or portion of such property until the whole be paid, which lien shall in no wise be affected or destroyed by any sale or transfer of any such personal property.

The Treasurer has no option in rebating the penalty on taxes allowed to go delinquent. Taxpayers are particularly notified that all Road Tax is due and payable with the first installment. No County Order will be paid to persons owing delinquent taxes and all parties are warned against buying the same.

The Annual Sale of Delinquent Lands and Lots will take place on the Second Monday in February, 1918.

PARTICULAR ATTENTION

TAXPAYERS SHOULD EXAMINE THEIR RECEIPTS before leaving the Treasurer's Office, and see that they are correct. Those who have lands or other property in more than one township, must see that they have a receipt for all.

Rushville, Indiana, January 1st, 1918.

Effective Horse Power

Perhaps you don't know that your horse is losing a large per cent of his power through poor harness. It's a fact though. Broken harness often causes runaways, and they often result fatally to the driver or animal. We have employed BOB WILLIAMSON, who is an expert harness man in every respect and can take care of any kind of repairing on your harness that is necessary. Harness is going to be higher and we would advise you to bring in your old harness and have it repaired and oiled at once.

The Uselessness of Want

The fear frequently expressed that this country may come to want should be perfectly useless fear. There is no logical reason why the United States should not produce amply for her own wants and the needs of her allies. We have the land upon which to grow the crops and a climate that renders anything approaching a crop failure an impossibility. All that remains is for the American people to apply themselves to the task.

But it is at this point that the trouble arises. For several decades now the people have been gradually deserting agriculture for the industrial pursuits. Agriculture has been at a discount and the farmer regarded as of somewhat inferior clay. Thousands of young men, if not trained in the professions, adopted the mechanical trades till the farms have become almost deserted. The result was only to be expected and naturally the industrial ranks were unduly swelled at the same time. Nothing save the over-abundance of mechanical labor is responsible for the great labor disturbance of the past half century. Labor in any line when it becomes too plentiful, must either resort to competition or union in order to survive. In this instance it chose union, and the results we have seen.

From this time on, there should be a systematic effort on the part of the great labor unions to curtail the number of recruits to their ranks.

Young men should be discouraged from deserting the farms to engage in the trades. The farms need them, and should have them. There is room for several millions more young men on the farms of this country, and then the land would not be overcrowded.

A more equitable distribution of labor would result in great good to all parties concerned. The farms would benefit by the added forces, while the trades would benefit no less by the withdrawal of a surplus of labor that is an endless source of trouble and strife.

We have reached a point when a great readjustment of labor is imperative, and this readjustment is up to the leaders of the labor world.

Munition Plants Slow Down

Representative John Q. Tilson, of Connecticut, who has been preaching the doctrine of munition preparedness ever since the outbreak of the European war, and before, for that matter, is properly indignant because the War Department is permitting Connecticut Arms plants to slow down. The Winchester Arms Company is now working about 50 per cent of the force which manned its shops last year; the Remington Arms Company recently closed down for a week, and the Marlin Company is not using its capacity equipment for turning out machine guns. Mr. Tilson says that if we have a million men across the sea there should be 1,500,000 guns over there for them right away, and 500,000 ready to be shipped, and he points out that we have only about 700,000 Springfield. "The factories are ahead of their orders and are slowing up," says Mr. Tilson, "a condition of affairs that I can't understand in time of war. It certainly does not seem to me the War Department is doing the right thing." It was this same Mr. Tilson who, in May of last year, after nearly two and a half years of the European War, and long, long after Mr. Wilson's "world on fire" speech, started the country with proofs that during that two and one-half years we had produced only 66,000 guns in our factories. Mr. Tilson would doubtless approve the suggestion that George M. Cohan revise his popular war song to read, "And we won't get guns till it's over Over There."

If Chairman Creel, of the Committee on Public Information, ever publishes a list of names and salaries on his pay roll, the document will be read with great interest.

If any further proof were needed to convince one that "the pen is mightier than the sword," one has only to recall the price of pork.

If you see her standing pensively and absent-mindedly beneath the mistletoe—just take a second thought.

A New Year's Greeting

This is the Season when our habit is to review the year that has just closed and to prepare for the New Year. Strange conditions have surrounded us the past year and we face a future unusual and uncertain. At such a time every person should plan that he may render the most effective service to his country. Loyal citizens everywhere will be called upon by our country's need, and the response of our people should be certain and generous as it has been in every appeal in the past. Preparation now is essential. It is the part of prudence to save and conserve in every material way that we may do our share in aiding Rush County to discharge her full duty in this National Crisis. May the Year 1918 be rich in blessings for all our people, is the wish of

JOHN W. COOPER DIES AT KOKOMO

Native of This County, Prominent Citizen of Howard County Seat, is Buried Today

BORN NEAR NEW SALEM IN 1837

Early Part of His Life Spent in This County—Married Frances Simmons at Richland

John W. Cooper, age eighty years, a native of this county, is dead at his home in Kokomo. He spent the last fifty-seven years of his life in Kokomo where he became one of the most influential citizens of the community. He was an attorney by profession, but became interested in many other business activities.

Mr. Cooper was a brother of Mrs. John Shannon, who died at her home east of the city about a year ago. The funeral was held in Kokomo this afternoon.

Mr. Cooper was born near New Salem, July 18, 1837. His father, Dr. Stanley Cooper, was one of the widely-known pioneer physicians of that part of the state. The son took his early schooling in the neighborhood of the homestead. At the approach of manhood, having decided to enter the profession of law, he fitted himself for the practice by study in law offices at Shelbyville and Indianapolis. On November 6, 1859, at Richland, he was united in marriage to Frances Margaret Simmons, who, with one son, Horace M. Cooper, and two daughters, Mrs. Ed M. Souder and Mrs. William L. Laughlin all of Kokomo, survives him. He went to Kokomo in October, 1860, was admitted to the Howard county bar soon thereafter, and was a resident here the remainder of his life. During the Civil war he was provost marshal for Howard county. In 1869 he was elected mayor of the city and was re-elected in 1871.

In 1874 he was elected Howard county clerk and in 1878 was again chosen to the position, serving in the office in all eight years. In 1833 he resumed the practice of law, in which he continued active until 1908 and from which he never entirely retired. His name appears at the head of the list of members of the Howard county bar in the bar docket for the term of court which has just closed. He was chosen superintendent of Crown Point cemetery at Kokomo by the city council forty-six years ago and continued in the position the remainder of his life. He was a stockholder in the Howard National bank from the time it was organized in 1877 until his death, and was a member of the board of directors practically throughout the period. He had been a member of Kokomo lodge, I. O. O. F., for approximately half a century and had risen to the highest position within the gift of the order in the state, Grand Patriarch of the Grand Encampment. As Past Grand Patriarch he had represented the state in two meetings of the sovereign grand lodge, once at Milwaukee and once at Chattanooga. In politics he was a stalwart republican, but never an intolerant partisan. Although he never

the guest of relatives in this neighborhood.

Mr. and Mrs. George W. Kemmer and family had as their guests last week Mr. and Mrs. George Myer, Mr. and Mrs. Charles Eskew, Mr. Paul Griffen of Indianapolis and Eugene Kemmer of Camp Taylor, Ky.

Mr. and Mrs. Linnea Hayes and daughter, Iva, left Wednesday for Florida where they will spend a portion of the winter.

Paul Schrontz is spending a few days with his parents, Mr. and Mrs. W. F. Schrontz.

The Rev. Mr. French filled his regular appointment at this place Sunday afternoon.

Save the Milk—Feed Acme Calf Meal

A Real Milk Substitute

FOR RAISING CALVES ON ONE-HALF THE COST OF WHOLE MILK. MIX WITH HOT WATER AND IS READY TO USE.

ACME CALF MEAL is a practical and successful Milk substitute for the raising of calves, young pigs, lambs and colts.

It will furnish the Calves and Pigs the proper nourishment from the time they are a few days old till they go on a grain diet.

It contains no Sulphur, Drugs or Chemicals. Mixed with hot water, it forms a rich milk gruel, palatable and easy to digest.

By its use the feeder can sell his milk and still successfully raise his calves at a cost of less than one-half the price of whole milk.

It is pure and reliable, and unquestionably the most perfect Milk substitute on the market for the purpose it is intended.

It contains all the chemical properties found in the whole milk and will produce a symmetrical growth of both bone and muscle in the young calf. It also prevents scouring.

100 Lbs. Makes 100 Gallons of Real Milk Substitute

ANALYSIS

Protein	27 1/2 per cent
---------	-----------------

EXAMPLE—To feed a calf whole milk it will take two gallons per day for 45 days it will take 90 gallons of milk worth 22c per gallon or total cost of milk \$19.80. To feed Acme Calf Meal for SIX weeks it would take 100 pounds Acme Calf Meal.

The whole milk costs	\$19.80
The Acme Calf Meal costs about	5.00
The difference in favor of Acme Calf Meal is about	\$14.80

A Calf Six Weeks Old at \$5.00 Is Good Property.

Feed ACME CALF MEAL equal to milk, protein 28 1/2%. Fifteen pounds feeds a weaned pig for 30 days for about \$5.00 per month. A complete ration.

A wedding which will be of local interest was that of Miss Lillian Wood of Terre Haute which took place at the home of the bride, 624 Sycamore street, Terre Haute, December 29, the bridegroom being Robert Lewis of Anderson. Mrs. Lewis has many friends in Rushville having visited Miss Leah Flint here several times. The bridegroom attended Indiana University and was a member of the Sigma Nu fraternity. He is now stationed at Fort Dodge, Iowa.

Mr. and Mrs. Oliver Hudson entertained with an elaborate dinner at their home in Raleigh Sunday honoring their son Marvin. The guests included, Mr. and Mrs. Will Richardson of Glenwood, Mr. and Mrs. Joseph Shoenke and daughter, Thelma of Rushville, Miss Callie Moorehead, Charles Shedd, Mr. and Mrs. Charles Miller and Master Floyd Hudson.

Mr. and Mrs. Bert Davison were the host and hostess for a charmingly appointed dinner at their country home south of this city last night. The table was effectively decorated for the occasion and covers were laid for Mr. and Mrs. Walter Easley, Mr. and Mrs. John Worthington, Mr. and Mrs. O. M. Harton, and Mr. and Mrs. Charles Winship.

The coming marriage of Miss Celia Cathcart of Sidell, Ill. to Lieutenant Caryl Holton which is to take place January 16, will be of interest to the friends of the bride-to-be in this city.

Mr and Mrs Tom Dill were the

DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

host and hostess for a family dinner at their country home New Year's night. Covers were laid for twelve guests.

Mr. and Mrs. Elmer Guffin entertained with an elegant turkey dinner yesterday at their country home honoring their son, Chase, who has been home on a furlough from Camp Taylor, Ky. A color scheme of pink and white was carried out in all the appointments of the dinner.

Martha Poe Chapter No. 143 O. E. F. will hold its regular meeting tomorrow evening on the Masonic Temple. A good attendance is urged.

Mrs. Tom Dill entertained at dinner yesterday Mrs. George Caldwell of Indianapolis and Miss Laura Trusler.

RAINBOW COMMANDER TRANSFERRED TO EAST

Washington, Jan. 3.—Orders were issued today assigning Major General Mann, who had been commander of the Rainbow division in France to the eastern department. General Boyle was retired. It was reported that General Sibert, head of General expeditionary forces, would be assigned to command of the southeastern department. Mann's place in France will be taken by General Charles Menoher.

The retirement of Sibert caused a sensation as it suggested there had been friction between Pershing and Sibert and that Sibert was being relieved from a place of high importance.

ARREST OF 9 ORDERED BY THES ARMY BOARD

Continued From Page 1

when registrants were ordered to appear for physical examination. He registered at Carthage, but it was reported to the board that he had gone to Detroit, Mich., to work. He never left an address, and when a questionnaire was mailed to him it was returned, the postmaster saying he could not be located.

Bromm registered at New Salem when he was employed there on the elevator which was being built at that time. His home is said to be in New York. He has since left and the board has no trace of him.

Besides the nine ordered arrested.

To the Public

Because of the possibilities of my partner, Mr. I. Shuster, being called to the colors in the very near future, I have bought his share of the business conducted by us for the past two years and I kindly ask of the public their further patronage as in the past.

I will carry on the business on the same logical principles as before, which has resulted and obtained for us a lengthy list of satisfied customers.

Your Further Patronage Solicited

Had the Grip Three Weeks
With January comes lagrippe. Lingered colds seem to settle in the system, causing one to ache all over, feel feverish and chilly, tired, heavy and drooping. Mrs. Lizzie Tyles, Henderson, Ky., writes: "My daughter had lagrippe for three weeks. I had the doctor and bought medicine and none of it did any good. I gave her Foley's Honey and Tar and now she is all right. I have told all my friends about it." Insist on the genuine, Foley's Honey and Tar. F. B. Johnson.—(Adv.)

the board has classified fifty-six more registrants, placing sixteen in class one, three in class two, thirty-one in class four and six in class five. This makes a total of 439 cases acted on, counting the six additional ones placed in class one by the board this morning. A total of 122 have been placed in class one by the board, but some have been rejected for physical unfitness and many others have agricultural claims which may give them a deferred classification.

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.

HE NOW LAUGHS AT THE MEN AT THE TABLE.

This Man Was Always Ill at Ease While Waiting for His Dinner, Until—Pepsinco.

He would order a few little things and see visions of pains, nausea, misery and everything but enjoyment when they were put before him. Much or little never failed to leave the same miserable, disagreeable, sick headachy feeling. He had to eat and suffered the consequences.

He thought he was doomed to eternal chronic stomach trouble. He doctored, used many remedies, but no help.

A stranger, a good Samaritan, saw his condition; asked him the reason; offered him Pepsinco, and now a happy, smiling diner awaits the steaming dishes.

If your stomach bothers; if your food sours or disagrees with you; if pains follow a meal and sick headache is a rule, stop at the drug store and get a small package of Pepsinco now today. It is a positive remedy for bad stomachs.

Detroit Weatherproof Detachable Tops

They are designed to afford motoring comfort in Winter as well as Fall and Summer.

They transform your Ford in a few brief seconds to a warm, absolutely storm-tight from windshield to rear window—brilliantly lighted limousine.

For the Ford driver who has considered winter driving a hardship rather than a pleasure, this patented all-weather top will be most acceptable as it eliminates instantly all his former hardships.

No bothersome side curtains to adjust in the biting cold or blinding snowstorms. The weatherproof top becomes an integral part of your Ford at a very reasonable cost.
